Message From Chairman

Mr. Madan Lal
Chairman
Tathaghat Foundation

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

As a part of Udaan International School, I feel privileged to be a part of an educational establishment that seeks to provide personalized & quality education that not only empowers children with social, emotional, physical and cognitive skills but also focuses on being better individuals and being more responsible to society and the world around you.

We believe that each child is different and would require different modes and ways of encouragement, motivation, upbringing and academic drive. This is what We, at Udaan International School, strive hard to bring about. While academic excellence is important, we also give a lot of emphasis on character formation, personal growth and skill building. Hence we also insist on co-curricular activities, and other programmes that cater to all this.

We shall strive to continue to deliver, break the glass ceiling and challenge ourselves further as an institution so that we as a team emerge unscathed from the challenges around us.

Wishing you the best always!

Mr. Purshottam Patel
Chairman
Udaan International School

As William Ellery Channing once said that it is a greater work to educate a child, in the larger sense of the world than to rule a state. Educating the young minds of this progressive nation is indeed a greater responsibility.

Udaan International School, Kesarpur, Bareilly aims at imparting quality education through a holistic, scholastic and spiritual approach in its pursuit of excellence in all fields.

We cultivate and develop the aesthetic sense of the students and channelize their youthful energy into creativity and self-actualization. We enable the impressionable minds to take up extensive reading habits and healthy recreational activities for a lifetime of happy and healthy mind-set. Udaan International School inculcates in its students the spirit of patriotism to build responsible citizens and future leaders who have social and ethical values which help them to think beyond caste, community, religion and region. Through co-scholastic activities, the students not only learn life skills but also take up social and community responsibilities enthusiastically

I wish all the best to the team of Udaan, Kesarpur, Bareilly in their endeavour to strive for excellence

Principal's Message

*A Child is like a butterfly in the wind
Some can fly higher than others;*

*But each one flies the best it can
Why compare one against the other
Each one is special – Each one is beautiful*
